

## **Attention:**

The Gruene Harley-Davidson staff and organizers of the Texas Time Travelin' Chopper Show have made the hard decision to postpone the upcoming Chopper Show that had been originally scheduled for March 27th & 28th.

Please know that we are doing this out of safety for our staff and all attendees. We are following the guidelines of the CDC, and with this event expected to be a gathering of the masses, we felt it was only right to postpone the event at this time.

With that said, we can promise that we are working hard to bring an even bigger and better Chopper Show to the New Braunfels Community this Summer.

If you have made reservations at Camp Huaco Springs know they will honor that reservation for the rescheduled event once that is determined. For inquiries on your reservation please email [info@camphuacosprings.com](mailto:info@camphuacosprings.com).

So please stay tuned for more details for the official announcement of when the Chopper Show will take place.

Until then, ride safe and enjoy the open road.
